BLUES

BY TONY RUSSELL

Danny Bryant's Redeye Band

Black And White

ROUNDER EUROPA

The 27-year-old English guitarist and singer's major label debut is a long stride forward in confidence and command of his idiom. Inspired by the wrenched-from-the-gut blues-rock of Walter Trout, Bryant is finding his own style, whether in the comfortable old clothes of the title track and Low Down Blues or the sharper threads of Walk Away and Between The Lines.
