## WHAT'S BEEN HAPPENING .....

The last month has been great, we have played some fantastic shows and festivals in both the UK and abroad.

Two weeks ago we played San Pietro Blues Festival in Italy alongside James

Cotton and his band. We spent a fantastic two days together and had some great laughs with them - not forgetting the fantastic show in a

beautiful market square!

Last week we were in Schoppingen, Germany for the Grolsch Blues Festival with our friend Walter Trout and his band and crew – it was nice to spend some quality time with them all! Danny and Walter had a great jam. Also Danny and Popa Chubby have been getting to know each other, Popa invited Danny up for a jam in a London club recently.

The success of our 6<sup>th</sup> album, Black and White is going from strength to strength with great sales in all countries and some really fantastic reviews in all the leading guitar and music magazines.

After receiving a great album review for Black & White from Classic Rock Magazine, the track 'Between The Lines' was placed on their covermount CD - 'Feel Good Hits For The Summer' (issue.120).

**"Black & White" is surely enough to push Bryant to his rightful place on the podium. He's more confident in his skin as a performer & starting to blossom as a songwriter. It this doesn't tip him over the edge, we'll eat our hats".** *Classic Rock*

Look out for the August issue where Danny will have a full page 'Introducing...' feature!

A 4/5 star review followed in Guitar Techniques this month **"This is good quality stuff with some truly excellent fretwork & warm tones which provide a real lift. The album has a lot to offer"**.

The Guitar Mag also gave it the thumbs up: **"So few guitar prodigies ever amount to anything, but this Herts-born guitarist, now in his late '20s delivers impassioned blues rock of a top-notch calibre that justifies his ever-growing reputation"** *The Guitar Mag*
